Beverly Santicola has over 25 years of experience in management, including 16 years within the non-profit sector. She has generated over \$8 million dollars in grant funding over the last eight years for elementary and secondary education, technology, economic development, labor-management cooperation, and health care. Since 2001 Santicola has authored more than 40 award winning grant proposals to provide breast cancer screening, diagnostics and treatment for 10,000 low-income, uninsured women in Texas.

Cost of Class: \$299 for Two Days
Classes Run from 8:30 am to 4:00 pm

What Participant Say

Our first grant proposal was turned down. Then I went to your class and tried again using the methods you taught. I'm happy to say we just got a \$1.6 million dollar grant award! Thanks for your help. Janis Jarvis, Clear Creek ISD

"By the way, we received a \$50,000 grant from Frost Bank last month. I am still batting 1000 using the Santicola model (4 proposals and 4 awards totaling \$638,000)." Dr. James Antenen, Dean, Wayland Baptist University-SA

"Three things really impressed me: 1) the passion, 2) the professionalism, 3) the morality of it all. – Mike Hucker

I don't know if you remember helping me out with a grant I wrote about 3 months ago-but I wanted to say thank you. We received \$175,000. Thank you so much for all of your help!
Tricia Haddad, One by One Ministries
